The Act has specific references to minority participation in the formation and operation of the NCEL and requires compliance with Article 8 Chapter 143 as applicable. The NCEL strongly encourages participation by, and involvement of, minority-owned businesses. In order to achieve or exceed the goals established by the Act and Applicable Laws, and to provide equal business opportunities in the procurement process, the NCEL encourages Vendors to contract with minority-owned businesses whenever and wherever possible. The NCEL wishes to make every reasonable effort to utilize minority-owned businesses when opportunities exist. The NCEL will take active steps to encourage full participation of qualified, capable, competent and competitive minority-owned businesses, possibly including, but not limited to, the implementation of a minority business participation outreach plan, utilizing media likely to inform potential minority businesses of the bid being sought and work with the Office of Historically Underutilized Businesses to identify minority businesses that have previously indicated an interest in the procurement process with respect to the lottery industry. Given the NCEL policy regarding participation of minority businesses and the express provisions of the Act, a Vendor shall carefully consider the inclusion, of, and shall commit not to discriminate against, minority businesses in the development of its Bid and provisions of its Services.

4.9.1 MINORITY BUSINESSES PARTICIPATION

Each Vendor should describe in its Bid what actions it currently takes, and will agree in the future to take, in the areas of: (a) utilizing minority-owned businesses; (b) encouraging full participation of qualified, capable, competent and competitive minority-owned businesses; (c) assisting minority businesses or minority persons; and (d) any plans to continue to provide interested minority businesses with adequate information about any subcontracting opportunities. Bids should describe what minority businesses the Vendor uses or intends to use. To facilitate that process, **Attachment E** (Identification of Minority Business Participation) should be completed and included with each Bid. Any additional and supplemental information in this area is also highly encouraged.

4.9.2 NON-DISCRIMINATION

Each Vendor should describe in its Bid what actions it currently takes, and will agree in the future to take, in the areas of: (a) ensuring a workplace free of all discrimination on the basis of race, color, religion, national origin, age, sex, disability or otherwise; (b) ensuring a diverse workforce and providing equal opportunities; and (c) ensuring and maintaining a work environment free of harassment, intimidation and coercion.

4.9.3 NONCOMPLIANCE WITH EQUAL BUSINESS OPPORTUNITY PROGRAM

The Successful Vendor may be required to attend a conference with the NCEL from time to time to review the project scope and to review minority business participation as outlined hereinabove. Noncompliance with any of the foregoing requirements of this ITB, the Act or Applicable Laws may result in suspension from bidding, prohibition from contracting, cancellation of contracts or monetary penalties.

PART V - COST

5.1 PRICING FORMULA

The NCEL currently expects that Successful Vendor shall be compensated for all Systems and Services based on a fixed fee agreed upon by the NCEL; provided, Vendors are encouraged to offer, in addition to a fixed fee, alternative pricing terms if they wish. Vendors are reminded that the cost quotation should cover all of the Systems and Services and other items covered and required by this ITB and Procurement, as well as other Services deemed necessary by the Vendor, to be provided by the Successful Vendor during the entire term of the Contract. All Services required by this ITB and Procurement must be included in such fee, including, without limitation:

- Cost associated with the supply, installation, activation, testing, and training of all required equipment;
- Cost associated with a one (1) year warranty that the proposed installed equipment is free from any and all defects in material and workmanship. Such warranty to cover replacement costs, labor, freight, and travel expenses at no additional cost to the NCEL; and
- Cost associated with four (4) years of service and maintenance after the expiration of the initial warranty period.

5.2 PAYMENT

Upon determination of the amount due to the Successful Vendor on the thirtieth (30th) day of each month, payment will be processed in an expedited manner. Vendors may propose any alternative methods or schedules of payments which will be considered during contract negotiations with the Apparent Successful Vendor.
